THIS FUEL GUIDE IS PROVIDED FOR REFERENCE PURPOSES ONLY. FUELING IS HIGHLY INDIVIDUAL, AND WHAT WORKS FOR ONE ATHLETE MAY NOT BE APPROPRIATE FOR ANOTHER. THESE GUIDELINES ARE INTENDED TO SERVE AS A STARTING POINT, AND NOT AS A PRESCRIPTION. ALWAYS TEST YOUR NUTRITION PLAN DURING YOUR TRAINING BEFORE APPLYING IT IN COMPETITION. ALWAYS LISTEN TO YOUR BODY, USE COMMON SENSE, AND ADJUST YOUR PLAN BASED ON YOUR PERSONAL NEEDS.

HYDRATION STRATEGIES IN PARTICULAR SHOULD BE FLEXIBLE—DRINK ACCORDING TO THIRST AND ACCORDING TO ENVIRONMENTAL CONDITIONS.
